

APPLICATION FORM

LEGO® Education Teacher Award, UK

The purpose of the LEGO® Education Teacher Award is to recognize innovative classroom teachers who use the LEGO® brick to advance student learning. Selected recipients are invited to present their work at the LEGO® Education Symposium 2018 in Boston, USA (June 5-7). The official rules for UK can be found on <https://www.jtrs.co.uk/page/legoeducationteacheraward2018>.

Submissions will be judged against the following criteria:

- Innovative teaching practices
- Commitment to teaching and capacity for sustained contribution to the local teaching community
- The potential and quality of the proposed symposium presentation

Section 1. Contact Details

Full name:	
Address:	
Email address:	
Telephone (home):	
Telephone (mobile):	

Section 2. Employment Details

Position title:	
School:	
School size (approx.):	
School address:	
Telephone (work):

How many years have you been using LEGO® products with your students?	

Please provide details of your teaching history and other relevant employment. Please attach a separate page with these details if there is insufficient space below.

School / Employer	State / Country	Age range taught	Full / Part time	From date	To date

Section 4. Main Application

4.1. Symposium abstract

Provide an abstract of the proposed symposium presentation. (max. 200 words)

4.2. Lesson materials and/or resources

Briefly describe an aspect of your teaching that you would consider innovative. You may attach an example, e.g. a sample worksheet or lesson plan, or the screenshot of a website. (max. 200 words)

4.3. Evidence of implementation

Provide evidence of implementation of your innovative teaching practice, e.g. a photo, a short video (max. 2 minutes) or scan of student work.

4.4. Self-evaluation and/or reflection

Briefly reflect on the success of your innovative teaching practices, including impact on student learning. (max. 200 words)

4.5. Contribution to the teaching community

Briefly describe your contribution to the teaching community (e.g. participation in online communities, conference presentations, etc.). (max. 200 words)

Section 5. Attachments (optional)

If you have provided any attachments in separate documents, please list them here.

To enter, email your submission to LEGOeducation-Teacher-Award-UK@LEGO.com

Applications close 5.30pm on the 30th April 2018.

☐ I give permission for my Submission, including my personal data, to be shared with the competition partners of LEGO Education in the country where I am applying.
